

1. Who do I call to get connectivity to the State Computer Center for gaining on-line access to SPAHRs?

The Data Services Division of the Department of Information Technology Services (ITS) is responsible for supporting computer networks for state agencies. Various types of connectivity can be facilitated to suit an agency's needs and budget. Contact the Data Services Division at <http://www.its.state.ms.us/its/itsweb.nsf/DataServices?OpenForm>, or by phone at 601-359-2666.

2. I can't remember my SPAHRs user ID and password. Who do I call for help?

Contact the MMRS Call Center at 601-359-1343 to get help with resetting passwords and for security questions on any of MMRS supported applications.
